

RESPONDING TO COVID-19

GLIDE is on the frontline of poverty going beyond meeting people's immediate, basic needs to deliver lasting, sustainable change.

During this time of crisis, the needs are rising. GLIDE is responding.

Through expansion and innovation, we're providing for the community we love.

Every Week GLIDE is:

- » **Offering free COVID-19 testing** on-site for up to 500 people. More info at glide.org/testing
- » **Providing up to 15,000+** meals curbside, at GLIDE and across the city to people facing food insecurity and to our community partners
- » **Making up to 75** stops weekly throughout the city via our mobile outreach team
- » **Providing 3,500+** instances of support for individuals across San Francisco including essential care items, screenings, referrals and nutritious meals
- » **Screening** vulnerable community members for COVID-19 symptoms across 300+ encounters
- » **Offering 400+** 1:1 sessions with navigators and case managers for individuals and families in need
- » **Supporting 140+** families and their children with educational and parenting classes and resources, and basic necessities
- » **Providing spiritual support for 4,000+** community members reached by GLIDE Church's online Sunday Celebrations and congregational life groups

Thank you to our community partners, donors and dedicated staff.
We can't do it without you.
